If you are not already aware, I am the Receiver appointed by the United States District Court for the Northern District of Texas as to Sardaukar Holdings, IBC, Bradley C. Stark and Pamela C. Stark, among others. Based on the initial information I have been able to review, it appears that you may have invested funds with Mr. Stark and may, therefore, have a claim against the receivership estate. Right now, all that I have for you is an email address. Accordingly, I ask that you respond to this email and provide me your name, address and telephone number so that I can send you a court-approved claim form for your completion.

It has been brought to my attention that Mr. Stark may have been communicating with you. Do so at your own peril. Mr. Stark is not authorized to make any promises or representations to you and, despite what he may have told you, the SEC lawsuit against him has not been resolved nor have his assets been released.

Thank you.
