**ORDER**

Michael J. Quilling, as Receiver for Sardaukar Holdings and related entities, has filed a motion to sell 2 million shares of common stock in moondoggie technologies, Inc. ("moondoggie").<sup>1</sup> According to the Receiver, moondoggie has agreed to pay \$200,000 for the stock, which was purchased by Bradley C. Stark for \$2 million in March 2005. Although the proposed resale price is only 10% of the original value of the stock, the Receiver believes that this offer is in the best interest of the Receivership Estate because moondoggie is in poor financial condition and there is no readily available public market for the sale of its stock. By this motion, the Receiver seeks court approval of the proposed sale.

The Receiver was ordered to post a copy of the motion on his website with notice to all interested parties that any objections must be filed with the court by August 24, 2006. No written objections have been received. The Securities and Exchange Commission, through its regional counsel, has consented to the sale.

<sup>1</sup> moondoggie is a startup technology company engaged in the development, manufacture, and sale of personal computers.

Accordingly, it is ordered that:

1. The Receiver's motion to sell common stock of moondoggie technologies, Inc. [Doc. #180] is granted.
2. The Receiver is hereby authorized to take all necessary steps to consummate the sale of such stock to moondoggie technologies, Inc. for the sum of \$200,000.
3. The transfer agent for moondoggie technologies, Inc. shall, upon notification by the Receiver, reissue Certificate No. 74 representing 2 million shares in the name of moondoggie technologies, Inc.

SO ORDERED.

DATED: August 28, 2006.
